► **Hon. Thiaka Muchai J., Secretary General,
Kenya Federation of Master Builders,
Inaugurated the CLIMEXPO 2023**

As the leading International Exhibition in the East Africa, the 03rd CLIMEXPO AFRICA 2023, set new records this May with an overwhelming response of Trade Visitors and Exhibitors from across the globe making it East Africa's most successful event.

The 03rd CLIMEXPO AFRICA 2023, was held at the KICC, Nairobi, Kenya from May 31 - June 03, 2023. Inaugurated by Hon'ble Thiaka Muchai J., Secretary General, Kenya Federation of Master Builders. The show was an exceptional success for the 7th consecutive year. The expo proved to be a useful stage for visitors to meet exhibitors of their interest.

Organized by EXPOGROUP, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 15 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Air Conditioning, Ventilation, Refrigerating and Building services Industry. Stakeholders from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other, making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African market while the visitors were exposed to explore various new business options.

► Exhibitors Comments :

MIRACO, Egypt :

“We truly believe that Kenya is the gateway to the East African market and also a great potential for us to expand. We have been visited by many consultants and businessmen. A big thank you to the organizers for the great coordination and management of the exhibition.”

MT VALVES, Spain:

“Africa is a very important market, in fact, the growth is in Africa and we want to show our strong presence in this market. Participating at this exhibition was a key step to establish our presence here and with the response I think we have been successful.”

AMBER CAPACITORS LIMITED, Pakistan:

“The exhibition is improving each year, in addition to the high quality of the attending visitors and potential customers.”
