► Chief Executive Officer, Nuclear Power & Energy Agency, Ministry of Energy and Petroleum inaugurated the event SOLAR ENERGY 2025

As the leading International Exhibition in the East Africa, the 10th SOLAR ENERGY Africa 2025, set new records this June with an overwhelming response of Trade Visitors and Exhibitors from across the globe making it East Africa's most successful event.

The 10th SOLAR ENERGY Africa 2025, was held at The KICC, Nairobi, Kenya, from June 26 - 28. Hon'ble DMr. CS Justus A. Wabuyabo, LLM UoN, Chief Executive Officer, Nuclear Power and Energy Agency, Ministry of Energy and Petroleum, Kenya Inaugurated the event on 26th June 2025. The show was an exceptional success for the 10th consecutive year. The expo proved to be a useful stage for visitors to meet exhibitors of their interest.

Organized by EXPOGROUP, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 25 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Solar Energy Industry from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African markets while the visitors were exposed to explore various new business options.
