Development Kenya Inaugurated the Watertech Africa 2026**

As the leading International Exhibition in the East African Water & Wastewater Technology Industry, 5th WATERTECH AFRICA 2026, set new records this July with an overwhelming response of Trade Visitors and Exhibitors from across the globe making it East Africa's most successful event.

The 5th WATERTECH AFRICA 2026 was held at the Carnivore Exhibition Grounds, Nairobi, Kenya from 03 – 05 June, 2026. Inaugurated by Mr. Joe Mutugu, CEO of the Affordable Housing Board, Ministry of Lands, Public Works, Housing and Urban Development (State Department for Housing and Urban Development). The show was an exceptional success for the 5th consecutive year. The expo proved to be a useful stage for visitors to meet exhibitors of their interest.

Organized by Expogroup, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 44 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Water & Wastewater Technology Industry. Stakeholders from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other, making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African market while the visitors were exposed to explore various new business options.
