Development Kenya Inaugurated the Afriwood 2026**

As the leading International Exhibition in the East African Building and Construction Industry, the 11th AFRIWOOD AFRICA 2026, set new records this July with an overwhelming response of Trade Visitors and Exhibitors from across the globe making it East Africa's most successful event.

The 11th AFRIWOOD AFRICA 2026, was held at the Carnivore Exhibition Grounds, Nairobi, Kenya from 08 - 10 July, 2026. Inaugurated by **Mr. Joe Mutugu**, CEO of the Affordable Housing Board, Ministry of Lands, Public Works, Housing and Urban Development (State Department for Housing and Urban Development). The show was an exceptional success for the 11th consecutive year. The expo proved to be a useful stage for visitors to meet exhibitors of their interest.

Organized by EXPOGROUP, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 18 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Woodworking & Furniture Manufacturing Industry. Stakeholders from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other, making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African market while the visitors were exposed to explore various new business options.

► Exhibitors Comments :

SANYOU TECHNOLOGY, Kenya:

AFRIWOOD has provided us the platform for communication with potential customers and also opportunities to interact with companies in this industry. Both exhibitors and visitors were able to obtain many information and opportunities from this exhibition.

BEST BOARD INDUSTRIES, Pakistan:

We have been looking forward with great anticipation to the AFRIWOOD event, It is the ideal platform which will help broaden the network of African buyers and enter into deeper discussions with individual buyers about their particular needs and requirements. I believe it will also help to broaden our understanding of the local timber environment, placing us in a better position to contribute meaningfully to this vibrant market.
