EXPOGROUP Supports The “GO GREEN” Campaign Across The Globe. Grow A Plant Every Weekend And Enjoy It Grow!
POWER & ENERGY AFRICA is the only dedicated industry specific international trade show for the Power & Energy Industry in the entire East African region. After successful editions in Kenya and Tanzania, the event ventured into Ethiopia with the launch of POWER & ENERGY ETHIOPIA. As the leading International Exhibition in the East African Power & Energy Industry, the POWER & ENERGY ETHIOPIA 2017 received an overwhelming response of Trade Visitors and Exhibitors from across the globe in East Africa's most successful Event.

The event was held at The Millennium Hall, Addis Ababa, from 12 - 14 May, 2017. The show gained a lot of attention which led to its success. The expo proved to be a useful stage for visitors to meet exhibitors of their interest. Organized by Expogroup Worldwide, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 20 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Power & Energy Industry. Stakeholders from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African market while the visitors were exposed to explore various new business options.
Exhibitors Report:

89% of exhibitors stated that their overall objectives had been met.

85% stated that they had met or surpassed the number of expected inquiries received during the 3 day event.

90% of exhibitors stated that they would like to repeat their participation.

93% of the exhibitors stated that they were satisfied with the support / services extended by the organizer.

Exhibitors Comments:

SOCOMEC SAS, France:
Great job by the organizers, the show has been a total success. Great platform and great potential. A big thank you!

SINOVO ELECTRIC XIANGHE GROUP, China:
We are Chinese company who got introduced to the promising East African market through this leading exhibition. It has been a great show and we have benefitted a lot.

THE SAUDI TRANSFORMERS CO. LTD., Saudi Arabia
Our main target at Power & Energy was to enter and study this market. The number of visitors to the show and the quality of the visitors has met our expectations.
