► HIGHLIGHTS

Exhibitors from 22 Countries

Visitors from over 11 African Countries

POWER & ENERGY AFRICA is the only dedicated industry specific international trade show for the Power & Energy Industry in the entire East African region. After successful editions in Kenya and Tanzania, the event ventured into Rwanda with the launch of POWER & ENERGY RWANDA.

As the leading International Exhibition in the East Africa, the POWER & ENERGY RWANDA 2017 received an overwhelming response of Trade Visitors and Exhibitors from across the globe in East Africa's most successful Power & Energy Event.

The event was held at The Kigali Convention Centre, from 15 - 17 November, 2017. The show gained a lot of attention which led to its success. The expo proved to be a useful stage for visitors to meet exhibitors of their interest.

Organized by Expogroup Worldwide, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 22 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Power & Energy Industry. Stakeholders from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African market while the visitors were exposed to explore various new business options.
