

East Africa's Largest Int'l. Trade Exhibition
on Solar Products Equipment & Machinery

POST SHOW REPORT
29 - 31 JULY 2026
Carnivore Exhibition Grounds, Nairobi, Kenya

► Cabinet Secretary, Ministry of Energy & Petroleum, inaugurated the event SOLAR ENERGY 2026

As the leading International Exhibition in the East Africa, the 11th SOLAR ENERGY Africa 2026, set new records this July with an overwhelming response of Trade Visitors and Exhibitors from across the globe making it East Africa's most successful event.

The 11th SOLAR ENERGY Africa 2026 was held at The Carnivore Exhibition Grounds, Nairobi, Kenya, from July 29 - 30. Hon. J. Opiyo Wandaayi, EGH, Cabinet Secretary, Ministry of Energy & Petroleum, Kenya Inaugurated the event on 29th July 2026. The show was an exceptional success for the 11th consecutive year. The expo proved to be a useful stage for visitors to meet exhibitors of their interest.

Organized by EXPOGROUP, the show had exceptional visitor footfall ensuring beneficial interactions for exhibitors with a wide variety of potential business prospects. The expo saw a strong international presence with participants from as many as 18 countries exhibiting their products.

As a proven platform for business to business, the exposition showcased latest developments in the Solar Energy Industry from various organizations, decision makers from the end user industries as well as industry observers and experts interacted with each other making the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the East African markets while the visitors were exposed to explore various new business options.
